MEMORANDUM FOR THE RECORD:

SUBJECT : Project [] Conference

1. A meeting was held at 1130 hours on this date to discuss Project [] representatives. The persons attending the meeting are as follows:

2. The following are abstracts of major disclosures and commitments:

a. [] conveyed a cover letter and four copies of a quarterly report covering the second quarter, FY-1964 on Project []

b. He then disclosed that he had received written authorization on only four of the PAR'S - #206, 207, 212, and 213. Consequently, as reflected on the quarterly report, relatively incomplete design objectives are being furnished on the remainder of the Projects - #202, 203, 204, 205, 208 through 211, and 214 through 216.

c. A brief review was conducted of the basic information in the quarterly report and [] was advised [] would be notified in writing of the recommended action regarding projects (PAR'S) described therein.

d. [] was informed that item "b." in the research objectives for PAR #216 was not strictly within the scope of the project but was of interest to the staff. He was instructed to determine that timely effort be confined to the analysis of the 6328A illumination effects on existing photographic materials. He was also informed of the possibility that a project for development of more suitable laser illumination systems such as described in paragraph "b." would be invited as
